Comments of The UPS Store #0586, 2418, 2458 & 5270

To: The Postal Regulatory Commission (PRC) concerning
Docket # MC2012-26

I am writing this letter as the owner of four (4) The UPS Store Franchises in Prescott and Prescott Valley, AZ. I am a small business owner who works hard to stay competitive in my market. I do not believe that the proposed service changes to the P.O. Box by the USPS are fair in terms of competition. I believe this allows the USPS the ability to have unfair competitive advantages vs. Commercial Mail Receiving Agents (CMRA's) based on the following points:

- Your requirement to handle mail for six months for departed or cancelled customers.
- The inability for PMB customers to file a change of address form once their contract has ended.
- The inability for PMB customers to get the same free forwarding service offered to Postal Box customers.
- The forced use of a "PMB" or a "#" designator for CMRA customers.

I thank you for allowing me the opportunity and ability to file my complaint regarding this matter prior to making your determination.

Sincerely,

William E. Dube', Jr
Owner
